Net Contents: _____ fl oz (____ mL)**Select from the following Marketing Claims:**

No-Stink Formula

No Rotting Egg or Garlic Smell

Will Not Harm Ornamental Plants

Fresh (or other descriptive term such as "Pleasant") Scent

Proven to Repel Deer up to 5 Weeks and Rabbits up to 9 Weeks

Proven Deer/Rabbit Feeding Suppressant

Do not Spray Directly on Plants Intended for Human Consumption

Not for Use on Vegetables, Herbs or Fruit Bearing Plants/Trees

To Repel Deer and Rabbits Around Ornamental Plants and Trees

DIRECTIONS FOR USE

Prior to application read entire label and use according to directions. Shake well before prior to each use. For use in pump-up and trigger sprayers. Read and carefully follow the instructions for the type of sprayer you use. One gallon treats 500 sq. ft. Do not apply when temperatures are above 40°F, surroundings are wet, conditions are windy or there is potential for rain. Thoroughly spray ornamental (non-food) plants/trees' flowers, leaves, stems and branches at all angles to the point of run-off or until leaves look wet. Reapply every 4 to 5 weeks, after heavy rains or at signs of new damage. Thoroughly clean sprayer with water immediately following applications to prevent clogging and damage to sprayer.

PRECAUTIONARY STATEMENTS

CAUTION: May cause eye irritation; rinse with plenty of soap and water. If irritation persists, call a physician or 1-800-222-1222 for emergency medical treatment information.

Storage and Disposal: Keep away from children and pets. Store in original, tightly closed container in a cool, dry area. Non-refillable container; do not reuse or refill this container. Recycle empty container, or discard in trash.
