\*Over 12 weeks old

May be used year round

**DIRECTIONS FOR USE**

Prior to application read entire label and use according to directions. Shake well before each use. Only for external use.

Use just enough repellent to evenly cover exposed skin and/or clothing. Do not use under clothing. Hold spray nozzle about 8-12 inches from skin and/or clothing when spraying. Do not spray directly onto face; to apply to face, spray onto hands first, then apply to face, avoiding eyes. Do not spray over cuts, wounds or irritated skin or apply near eyes or mouth. For ticks, also apply to shoe tops, socks and around clothing openings. Do not allow children to handle this product. When using on children (older than 6 months), apply to your own hands and apply on child being careful to avoid eyes, mouth and hands. After returning indoors, bathe and wash clothes with soap and water.

For use on pets, spray pets from a distance of 8-12 inches. Start by spraying pet from the tail, working toward torso and head, fluffing the hair backwards to help the spray penetrate through coat down to the skin. Ensure pet's entire coat is treated including legs, tail and underbody. Thoroughly moisten fur, but do not spray to the point of run-off. Repeat as necessary based on pest pressure. May be used year round if needed. Pets may be treated indoors or outdoors. Do not spray directly on pet's face; spray on a cloth or hands and wipe on, making sure to avoid nose, mouth and eyes. Do not apply to open wounds, abrasions or genitalia. Do not spray kittens or puppies under 12 weeks old. Do not spray on animals intended for human consumption.

**PRECAUTIONARY STATEMENTS****Hazards to Humans and Domestic Animals**

**CAUTION:** May cause eye irritation; avoid contact with eyes. Thoroughly wash with soap and water after handling and before eating, drinking, chewing gum or using tobacco.

Sensitivities may occur after using any pesticide product on pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, immediately consult a veterinarian.

**First Aid: If in Eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. If irritation persists, call a doctor or 1-800-222-1222 for emergency medical treatment information.

**Storage and Disposal**

Keep away from children and pets. Store in original, tightly closed container in a cool, dry, well-ventilated area. Protect from direct sun, excess heat and keep from freezing. Non-refillable container; do not reuse or refill this container. Recycle empty container or discard in trash.
