Net Contents: _____ fl oz (____ mL)

Select from the following Marketing Claims:

Proven effective by contact on spiders, roaches and ants

Quick Kill Formula against ants, boxelder bugs, earwigs and ticks

Safe for use on indoor and outdoor surfaces

DIRECTIONS FOR USE

Read entire label prior to use and use product as directed. Shake well before use or dilution. Spray surfaces to be treated from a distance of 8-12 inches, directly spraying listed pests. Use 2-4 trigger sprayer pumps, depending upon pest pressure, and thoroughly wet listed pests, but not to the point of saturation/runoff.

Spray areas where these insects are found or may hide, including dark corners of rooms and closets; cracks and crevices in walls; along baseboards and door and window frames; behind and beneath sinks, stoves refrigerators and cabinets; around garbage cans; and around plumbing and other utility installations. Directly spray pests, including those driven out of hiding places.

PRECAUTIONARY STATEMENTS

WARNING: May cause allergic skin reaction.

Prevention: Avoid breathing mist/vapors/spray. Wear protective gloves.

Response: If on Skin: Wash with plenty of soap and water. If irritation or rash occurs, get medical advice/attention. Wash contaminated clothing before reuse. If irritation persists, call a physician or 1-800-222-1222 for emergency medical treatment information.

Storage and Disposal: Keep away from children and pets. Store in original, tightly closed container in a cool, dry area. Non-refillable container; do not reuse or refill this container. Recycle empty container, or discard in trash.
