Select from the following Marketing Claims:

Kills adult fruit flies and larvae

Also kills bottle flies, fleas, flesh flies, house flies, mites and ticks

Proven effective

Simplifies chemical rotation

No re-entry wait time or re-application limit

For use in food preparation and food production areas

Can be applied indoors and directly onto food processing equipment

Can be used in a foaming application

Cleans and degrades grease and organic material

DIRECTIONS FOR USE

Read entire label before use. Shake well before use.

Premise Treatment

Apply as a coarse spray to sinks, stainless equipment, drains and floor areas. Pay special attention to areas where pests have been seen or can find harborage behind equipment, facility entry points and in cracks and crevices. Treat at each grow-out or sanitation procedure, before reintroduction of open food. Reapply as needed.

PRECAUTIONARY STATEMENTS

Causes moderate eye irritation. Avoid contact with eyes and clothing.

First Aid: If Swallowed: Immediately rinse mouth and drink plenty of water. **If in Eyes:** Immediately rinse eyes with plenty of water, including under eyelids. **If on Skin:** Thoroughly wash with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. In all cases, if irritation persists, call a physician or 1-800-222-1222 for emergency medical treatment information.

Storage and Disposal: Keep away from children and pets. Store in original, tightly closed container in a cool, dry area. Non-refillable container; do not reuse or refill this container. Recycle empty container, or discard in trash.
